**Welcome!**

Hello and welcome to YU Learning Management System

For full access to courses you'll need an account on this website. Each of the individual courses would have a one-time "enrolment key" You can get enrolment key from your instructor.

**Login Information**

Sign in with your domain login information. If you are not sure about your login information, please visit this [LINK](#) to contact IT Department.

Guests are not allowed to login to this website. You can visit YU main website for further information: [www.yu.edu.sa](http://www.yu.edu.sa)

**SPRING SEMESTER 20162**

If have successfully logged in, you will able to see your **User Dashboard**. In this page, you can find a list of all your registered courses.

To select the course, you want to study just click on the course name and you will be transferred to the corresponding course page.

Also by clicking your name on the top right corner (Profile Menu) will show you drop-down menu related to different options like profile editing, calendar, my courses etc...

The screenshot displays the user dashboard for Al Yamamah University. At the top left is the university logo and the text "جامعة اليمامة Al Yamamah University Learning Management System". On the top right, there is a "Profile Menu" button and a user profile icon labeled "Mohammad". Below the header is a navigation bar with "LMS", "Forms & Policies", "Study Plans", "My courses", and a "Search courses" field. The main content area is divided into three columns:

- Student Announcements:** Contains a "Latest announcements" section with items like "Final Exam Schedule of Spring 20162" and "Registration Announcement For Summer semester 20163". Below it is an "Important Resources" section with links to "Academic Calendar", "News", "Student Handbook - Arabic", "Student Handbook - English", "Darsa Activity Plan Arabic", and "DARSA Activity Plan English".
- Enrolled Courses:** Features a "Course overview" section for "Test Course for Administrators - Spring 20143" with a note "There are new forum posts".
- Right Sidebar:** Includes "Private files" (No files available), a "Calendar" for May 2017, and "Upcoming events" (There are no upcoming events).
