

Students Accounts and How To Obtain Them

The IT Department in Al Yamamah University, provides all students with the following account:

- ✓ Student **E-mail** account (this is the official email account for students in the university).
- ✓ Student **LMS** account (where the students can have access to their course materials)
- ✓ Student **EduGate** account (where the students can do all their academic work, such as: add/drop courses, view grades, view transcripts, ...etc.).
- ✓ Student **Computer-Lab** access account (which allows students to access all computers in the campus).
- ✓ Student **Printing** account (which allow students to use the printers in the campus).

If you have any issues with the above accounts, please contact the IT Department at ITDept@yu.edu.sa with an attachment of your ID, or you can visit the ID Department.
