DCO Form V1.1

**Policy on Payment of Fee for External Review of Request for
Faculty Promotion**

Preface:

Ministry of Education's regulation indicate that candidates for the promotion in academic rank at private educational institutions must be reviewed by the scientific council of a public university.

Policy Statement:

Given that fees for these services related to the faculty promotion and external reviewer fees are typically charged by the cooperating university, thus YU will be fully responsible for the faculty candidates for promotion in academic rank at YU by the cooperating public institute for the evaluation conducted by its scientific council.

Exceptions:

The University-Council reserves the right to decide on any circumstances/situations outside the conditions stated in this policy.

Authorization

This policy was authorized by:

University President
